SELX Market Report Prime Sheep & Lamb - 19th April 2017

Lamb numbers lifted and the quality was mixed. Each Agent had a small run of good trade and heavy lambs but quality slipped quickly. Store lambs lacking cover were best supplied and re-stockers were active on most weights. Not all the usual buyers were operating in a dearer re-stocking and trade market and the heavy and export run was cheaper.

Re-stocking lambs sold from \$74 to \$138/head. The medium and heavy trade lambs were \$3 to \$4 dearer on plainer quality selling from \$135 to \$158.60/head. Heavy lambs were \$4 to \$5 cheaper and ranged from \$150 to \$181/head. Carcass prices ranged from 640c to 660c/kg. Merino lambs reached \$149/head. The best hogget topped at \$167/head.

Mutton numbers lifted and quality remains mixed. Prices were firm to slightly dearer on most with medium weights ranging from \$104 to \$144/head. Heavy crossbred ewes reached \$166 and Merino wethers \$145/head averaging 500c to 530c for most.
