SELX Market Report Weaner Sale – 11th May 2018

Total Yarding: 4,989

Numbers lifted and the quality was mostly good with only a small tail of plainer weaners. Prices lifted this store sale despite the cold bleak weather and a smaller buying group. Angus steers and heifers were the best supplied and the majority were in the 200-280kg weight range.

Light weaners under 200kg sold from \$270 to \$550/head. The medium weights 200-280kg mostly sold from \$450 to \$855/head and heavier weights reached \$980/head with a single pen of steers weighing 440kg reached \$1080/head. On a live weights basis prices averaged 270c to 290c/kg.

Light weaner heifers sold to \$470/head. Medium weights received \$400 to \$730/head and heavy weights topped at \$765/head..
