SELX Market Report Prime Lamb & Sheep – 16th September 2020

Total Yarding: 9,212

Lamb numbers lifted slightly and contained 4,500 new season lambs. There were a few store lambs but the main run consisted of trade and heavy lambs with a few extra heavy weights. Merino numbers lifted slightly and the quality and weight varied. All the usual buyers were operating in a dearer market.

New season medium and heavy trade lambs up to 22kg were firm and ranged from \$145 to \$159/head averaging 700c/kg cwt. Heavier weight 22 to 24kg were up \$4 and sold from \$158 to \$168/head or 680c/kg cwt on average. Heavy lambs saw the biggest jump gaining \$7 to \$9 and sold from \$160 to \$174 and extra heavy lambs made from \$173 to a top of \$229/head.

Old heavy lambs sold \$4 dearer to make from \$160 to \$172/head for lambs up to 26kg. Extra heavy lambs sold from \$174 to \$230 with a range of 580c to 630c/kg cwt. Merino trade lambs made from \$139 to \$162 and heavy weights reached \$187/head to average 650c to 670c/kg cwt.

Mutton numbers eased and there were more ewes than wethers. Quality was mixed but light weights were in short supply causing prices to be \$5 to \$6 dearer. Medium weight ewes sold from \$122 to \$150/head. Heavy crossbred ewes made from \$176 to \$181 and Merinos reached \$174/head. Carcase prices ranged from 640c for the medium weights, to 520c to 560c/kg cwt for the heavy and extra heavy weights.
