**SELX Market Report  
Prime Sheep & Lamb – 27 January 2021**

**Total Yarding: 10,175**

Numbers decreased by almost 2,000 sheep and lambs. The quality improved across the new season trade weight lambs and there was an excellent supply of heavy shorn lambs creating some strong competition between domestic and export processors. All regular buyers were present and operating in a firm to dearer market. Restockers were active again on the large supply of store lambs.

A lift in quality of new season lambs going to domestic processors resulted in price gains up to \$9, lambs selling from \$166 to \$210/head. Shorn medium and heavy trade weights were in good supply jumping \$8 in places selling from \$174 to \$212/head to average 837c/kg cwt. Strong competition resulted in heavy lambs gaining \$10 selling from \$200 to \$223/head. Heavy export lambs sold from \$215 to \$250/head to average 786c/kg cwt.

Another large supply of store lambs were penned with restockers paying from \$115 to \$159 for light lambs and up to \$195/head for medium weights. Lambs going to feed sold from \$145 to \$172/head. Hoggets sold to \$228 for cross bred types and Merino's reached \$208/head. Mutton sold to weaker trends with heavy cross bred ewes selling from \$153 to \$208, slipping \$10 and heavy Merino ewes reaching \$211/head. Medium weight sheep sold from \$108 to \$151/head.
