There was a jump in lamb numbers and the quality improved. Trade and heavy lambs were again well supplied and there were a few more extra heavy weights penned. A handful of new season lambs are starting to trickle in and light shorn store lambs were slightly back in volume. The market trend was dearer by \$8 to \$12/head.

The few new season trade lambs sold from \$171 to \$189/head.

Light lambs to restocking orders \$165 to \$188/head. Medium and heavy trade lambs to 22kg ranged from \$178 to \$191/head or 850c to 870c/kg cwt. Lambs 22 to 26kg ranged from \$190 to \$214/head and averaged from 790c to 830c/kg cwt. The 26 to 30kg cwt received \$202 to \$243/head or 780c/kg and the over 30kg reached \$247/head. Heavy Hoggets \$175 to \$234/head.

Mutton numbers also lifted and the quality was better. There were plenty of well covered medium weight ewes and a good selection of heavy weights. Prices were stronger by \$15 to \$20/head on the better quality. Medium weight ewes mostly \$143 to \$182/head. Heavy crossbred ewes \$210 to \$257/head and Merinos reached \$210/head. Most averaged 660c to 710c/kg cwt.
