**SELX Market Report  
Special Weaner & Store Sale – 28 May 2021**

**Total Yarding: 2,212**

Numbers were back for the third weaner/store sale held at SELX. Heavy weaners were a feature with more than half weighing over 280kg. In the store sale, there were few cow/calf units and a small run of PTIC cows and heifers. The overall quality was down on last sale but the trend was cheaper on the steers slipping around \$80/head while the heifers were firm to dearer.

Medium weight weaner steers up to 280kg sold from \$1,220 to \$1,630 while heavier Angus steers sold from \$1,450 to \$1,940, averaging 405kg/head. Medium weight weaner heifers made from \$1,000 to \$1,680 while heavy weights made from \$1,330 to \$1,860/head with most averaging 480c to 530c/kg.

PTIC heifers ranged from \$1,555 to \$1,720 and PTIC cows reached \$2,200/head. Cow and calf units sold very well with mixed aged Angus cows making from \$3,250 to \$3,440/unit.
