

SELX Market Report

Prime Cattle – 23 September 2021

Total Yarding: 275

Numbers were low but the quality was very good with an excellent run of medium and heavy feeder steers which made up the majority of the young cattle. There were only a few pens of weaners and all heifers were in very short supply. Trade cattle were also very limited and there were around 40 mostly heavy 4 score cows. The market trend was dearer for the restocking weaners and feeder steers while cows eased.

Weaner steers sold from 620c to 720c and heifers 570c to 720c/kg. Feeder steers sold 17c to 19c stronger with medium weights 512c to 600c, restockers paid to 630c/kg for similar weights. Heavy feeder steers sold from 460c to 585c/kg. Medium weight heifers to restocking orders reached 612c/kg.

Grown steers to feed were 10c dearer with most from 500c to 580c and the grown heifers to process reached 480c/kg. Heavy cows were 9c softer with the 3 and 4 score D muscled from 365c to 390c and C muscled Limousin cows reached 400c/kg.
