

PRE-SALE BUYER REGISTRATION

Please read the following:

SELX does not bulk bill. Livestock purchased by you will be invoiced directly to you by the selling Agent. Unless you intend to have your own Agent settle the account on your behalf, you will need to establish your credentials with the selling Agent – AGSTOCK prior to the livestock being released.

SELX requires all purchased livestock to be vacated from the premises within 24 hours post sale. Where stock will not be removed from the site within 24 hours, the owner, or representative must advise SELX the eta for pickup, the carriers mobile contact number and feeding instructions by completing a Post-Sale Buyer Delivery & Feeding Instruction form available at the SELX Office.
