

## SELX Market Report

Prime Cattle – 5 May 2022

### Total Yarding: 997

Numbers lifted and the quality was mixed. There were only a few pens of weaners and good numbers of yearlings. Grown steers were very limited and there were more light weight grown heifers. Cow numbers improved to 340. Not all the usual feeder order were operating and that contributed to a weaker market.

The few pens of weaner steers to return to the paddock 640c to 720c/kg and heifers 460c to 650c/kg. Feeder steers eased 20c with medium weights selling from 460c to 600c and heavy weights 420c to 560c/kg. Heifers to feed were close to firm and ranged from 470c to 541c/kg for the medium and heavy weights. Trade cattle were limited and the best were medium weight heifers reaching 543c/kg.

The few grown steers sold between 445c and 462c/kg and heavy grown heifers to process lost 10c ranging from 341c to 450c/kg. Cows had the biggest falls of the day with the heavy 3 and 4 score cows dropping 25c to 30c/kg and sold from 300c to 349c/kg. Restockers kept the lighter cows up only falling 5c on average and sold from 280c to 364c/kg.
