

SELX Market Report

Prime Lamb & Sheep – 19 June 2024

Total Yarding: 14,723

Lamb numbers lifted and the quality improved with a good run of well finished trades and a better line up of heavy lambs. Extra heavy weights were also better supplied. There was a big run of very light Merino store lambs. There still were a few plainer and secondary trade lambs. The market sold to stronger trends.

The 2 score processing lambs sold from \$44 to \$96/head and restockers paid from \$18 to \$43 for the light Merinos and up to \$137/head for shorn crossbreds. The trade lambs were \$10 dearer on the 20 to 22kg lambs with a local butcher operating and sold from \$144 to \$163 and the 22 to 24kg lifted \$5 selling from \$148 to \$190/head to average 720c/kg cwt. Heavy lambs 24 to 26kg were \$9 dearer \$163 to \$194 and lambs up to 30kg sold from \$195 to \$210/head averaging 690c to 700c/kg cwt. Extra heavy weights reached \$229/head.

Mutton numbers eased and the quality was good. Prices were \$2 to \$4 cheaper on the ewes and \$5 dearer on a very good big run of Merino wethers with a 8 month skin. Medium weight ewes sold from \$56 to \$96 and heavy crossbreds reached \$130/head. Merino wethers reached \$124/head, most averaged from 300c to 350c/kg cwt.

Market Report: MLA's National Livestock Reporting Service.
